

# SAT Answer Reporting Services Order Form for 2011-12

We offer one or the other of these services for every SAT® test taken (not available for SAT Subject Tests™).

- The **Question-and-Answer Service (QAS)** is a test-disclosure service that includes a booklet copy of the test you took, with a table of correct answers and scoring information. For each question, it also tells you about the type, level of difficulty, what your answer was, and whether it was correct, incorrect or omitted. QAS costs \$18.00. It is offered worldwide in May, and on select Saturday test dates in the United States and Canada (see the chart below).
- The **Student Answer Service (SAS)** is a service that provides you a report with information about the type of questions on your test, their level of difficulty and whether your answers were correct, incorrect or omitted. SAS costs \$13.50. It is offered for any SAT test for which QAS is not offered.

Use the table below to determine whether to order QAS or SAS. For a makeup, DANTES or alternate test date, order SAS.
